

REQUEST FOR BUILDING PERMIT
RESIDENTIAL ACCESSORY STRUCTURES
PRIVATE GARAGES, CARPORTS, FENCES and STORAGE BUILDINGS

City of Murfreesboro
Building and Codes Department
P.O. Box 1139, 111 West Vine Street
Murfreesboro, TN 37133-1139

Phone: 615-893-3750

Fax: 615-217-3016

This form must be completed by the applicant prior to the issuance of a building permit for the construction, enlargement or modification to an accessory structure. Separate permits are required for electric, plumbing, gas and HVAC work as may be authorized under the building permit. When payment has been received and the application has been approved, a building permit will be issued.

I hereby certify that I have read this application and know the same to be true and correct. I understand that I must call for the required foundation, framing and final inspections and obtain a Certificate of Occupancy prior to occupying the structure. I understand that construction will be inspected for compliance with the 2000 International Residential Code, as amended, and other State and City laws and ordinances governing this work and agree to abide by the same whether specified herein or not. I further understand that the granting of a permit does not presume to give authority to violate or cancel the provisions of any State or City ordinance regulating construction or the performance of construction. Issuance of a permit does not imply or represent that proposed construction complies with subdivision or deed restrictions, restrictive covenants, or other conditions which may be applicable to a particular parcel of property.
